Straw Boilers Ireland has been appointed as the distributor of the Emko range of domestic solid fuel boilers in Ireland and the UK.

Emko have brought their more than 20 years experience in the heating industry to the design and production of the Ekobor Series of solid fuel boilers.

The boilers are suitable for areas ranging from 500 sq. ft. to 10,000 sq. ft. and are highly efficient in generating hot water from wood or coal.

**THE BENEFITS:**

- \*Very low cost heat production from wood or coal.
- \*Large savings - short term payback.
- \*Very competitive pricing and comprehensive after sales service.

**THE BOILER:**

- \*Range: 12 sizes from 20000 Kcal/H to 1500000 Kcal/H.
- \*Digital control and fan.
- \*Fully automatic stand-by system.
- \*Designed and manufactured in Turkey.
- \*High efficiency 3 pass boiler - low heat loss.
- \*High build quality - robust and durable.
- \*Ash removing container.
- \*Can be seen in operation.

**Emko** GUARANTEE
